“Discover Architecture”
Architectural Design and Engineering, Landscape Architecture, and Construction Management
Summer Workshop
OSU Stillwater, June 11-16, 2018

The “DISCOVER ARCHITECTURE” summer workshop introduces several aspects within the fields of Architecture, Architectural Engineering, Landscape Architecture, and Construction Science and Management to potential university students through academic projects that are designed to stimulate creativity... and be fun! Participants live in campus housing, and complete projects that include the application of sketching and designing in model, using computer presentation tools, and several hands-on building projects - to help students understand if a career in the building arts might be right for them. The program is offered by Oklahoma State University faculty, on the Stillwater campus, for students who are at least 16 years of age.

For more information, contact Professor Suzanne Bilbeisi at (405)744-6043 or via email: suzanne.bilbeisi@okstate.edu, or consult the website: http://arch-ceat.okstate.edu/discover-architecture

Thank you!

...Join us June 11-16, 2018!
The “DISCOVER ARCHITECTURE” summer academy is designed for potential university students who are at least 16 years old. The program will introduce several aspects within the fields of Architecture, Architectural Engineering, Landscape Architecture, and Construction Science and Management through the use of academic projects that are designed to stimulate creativity - and be fun!

Oklahoma State University and several professional Architecture, Engineering, Landscape Architecture, and Construction firms from the state of Oklahoma are sponsoring this academy, such that the fee to attend is only $400. All project supplies and equipment, instruction by OSU faculty, meals, and double occupancy dorm accommodations during the academy will be provided. For more information, contact Professor Suzanne Bilbeisi at (405)744-6043 (or via email suzanne.bilbeisi@okstate.edu), or consult the academy website located at http://discover.arch.okstate.edu

Thank you!

Please attach in 8½ X 11” (xerox) format an example of your creativity. Feel free to use a drawing that may have been generated in an art class, or create a freehand sketch specifically for the purposes of this application. Other examples could include an image of something you designed/built as a school project or extra-curricular activity. Help us understand what your creative interests are!

Also attach a school transcript with your completed application form, and mail, fax, or email a pdf file to:
